

# Emoji of a Wave

John Mayer

Oh honey  
You don't have to try so hard  
To hurt me  
Don't worry  
I been thinking bout you too  
What do we do Your heart is where my head should be  
The dissonance is killing me  
It breaks my heart  
It breaks my heart Oh honey  
Oh honey  
It's just a wave  
It's just a wave and I know  
That when it comes  
I just hold on  
I just hold on Oh honey  
I been talking to myself  
Just to hear you  
And you're saying  
Everything I wish you would  
And it's so good It's raining on the mission bell  
They're draining out the wishing well  
It breaks my heart  
It breaks my heart Oh honey  
Oh honey  
It's just a wave  
It's just a wave and I know  
That when it comes  
I just hold on  
I just hold on I rose on you like morning light  
In shuttered dream we'll sleep at night  
It breaks my heart  
It takes all the love I have to say  
I know we're gonna be ok  
It breaks my heart  
It breaks my heart Oh honey  
Oh honey  
It's just a wave  
It's just a wave and I know  
That when it comes

I just hold on  
Until it's gone
