

# Until You Love Me

Al Jarreau

I want to know the places that you go when you're all alone.  
And I want to see all the secrets that you keep when you're not with me.  
And I'll open the treasures of love deep in my heart.

CHORUS:

And I promise I'll hold you close to me.  
I'll write you a song with words so sweet  
And I'll sing to you the melody,  
â€˜Til you Love me.

Tell me your dreams  
And every wish that I might grant for thee.  
Open your heart and let me fill you up with everything you need.  
And we'll walk step by step, you and me in harmony.

CHORUS X 1

Show me the key  
And I'll write a symphony for you and me.  
Words can't explain how much your love means to me.

CHORUS X 3
