Right Side Of My Mind

Angry Samoans

Yeah!The right side of my mind
It's regeneration, baby
Don't look what you will find
It's our generation, yeah!There's nothing stopping me now
We don't listen to you
No, there's nothing holding me back
I want all the truth
The right side of my mindThe right side of my mind
Is degeneration, baby
It's all twisted in time
Like re-incarnation, baby
Squares, longhairs, troopers at bars
There's no free expression
Strychnine space race to the stars
It's our new direction, childThere's nothing stopping me now
We don't listen to you (fuck off!)
There's nothing holding me back
I want all the truth
The right side of my mind
The right side of my mind
The right sideLet's go!The right side of my mindThe left side of my mind
Is electrocution, baby
Don't look what you will find
It's your execution, chump
Squares, longhairs, troopers, guitars
It's our way of expression
Strychnine space race to the stars
It's our new direction now, babyThere's nothing stopping me now
We don't listen to you, oh
There's nothing holding me back
I want all the truth
The right side of my mind
Oh, the right side of my mind
Right side
