Dead Inside

Chimaira

I felt so alone
I felt so alone
I felt so alone
I feltYou left feeling so empty and needing
Can't see the glitter in you
Go away, go awayYou called me all the time
(Go away, go away)
Hiding behind your lies
(Go away, go away)
Materialistic
Go awayYou don't know what it's like
(To be)
Dead inside
You don't know what it's like
(To be)
Dead insideYou called him a friend
To help you get through it
I see your true face now
(Go away, go)Well, my tears are gone
(Go away, go away)
I am happy now
(Go away, go away)
Thanks for making it clear
(Go away, go away)
Go awayYou don't know what it's like
(To be)
Dead inside
You don't know what it's like
(To be)
Dead insideI am dead to you
You take my heart
And use it as a tool
I wish that this would just
Go awayYou can't find love
You can't cry tears
You won't be
Crying aloneDead inside, dead inside
Dead inside, dead inside
Dead inside, dead inside

Dead insideWho are you today?
Another face is erased
Who are you today?
Another face erasedWho are you today?
Who are you today?
Dead InsideYou don't know what it's like
(To be)
Dead inside
You don't know what it's like
(To be)
Dead insideI'm, dead inside
Dead inside
Dead inside
