

Picture Perfect

Lindsey Ray

Pull all your hair up
Dab on the make up
Tryin hard to look so pristine
Like a face in a magazine
Those fancy dressers
And media pressure
Got you feeling so plain and small
If you don't look like a paper doll

In a world where the goal is
To be like the Joneses
It's guaranteed to drive you wild
Keeping up with the latest style
Gaze in the mirror
You want the glamour
And the grace of a movie star
But I like you the way you are
You are the only one I'm dreamin of
'Cause baby don't you know that I Love

[Chorus:]

You, Girl

You don't have to be picture perfect

To be in my world

Girl

You don't have to be picture perfect

To fit the frame

You're tender you're tactful

Girl you're a natural

You possess a heart that's true

That's what I like about you

One in a million

Yeah that's a given

There's a beauty inside of you

And it shows on the outside too

No competition you're way in the lead

And baby don't you know that I need

[Chorus]
