Little Salvation

Luba

feeling empty inside
got a hole in my soul
that's ten feet wide
and I'm sinking deeper
everyday
seems like everybody I see
is simply trying
to be redeemed
but the saviours
are few and far between
people sing...
[chorus]
hey yeah what about us
a little salvation's what I'm
thinking of
I need somebody to come
and rescue me
a little salvation
a little salvation
feeling lonely inside
got a hole in my heart
that I can't hide
and it's getting deeper
everyday
feels like everybody and me
we're simply crying out
for some love
I need a little
somebody
to come
and set me free
people sing...
repeat chorus
gimmie gimmie gimmie
a quick fix
I need some now
I can't wait for the saints
to turn my fate around
you know hell and damnation's just

salvation upside down
repeat chorus twice
