Fuck a Lex cause the click fit good in the Caravan
Slide through your hood like a avalanche

A starvin artist that a eat why'all tracks, so don't bring 'em around

I pull the 9 out my pocket I'm lyin
I pull the Mac out the closet, start firin
For you cats outta pocket, stop tryin
Take that, get back, clap iron
You know, stay low, keep firin, uh!
I put the led in the gat, the metal go clap
I lay cats flat on they back, stop fuckin with this radical cat
You fuck around and need a medical cat
The led'll go clap, your head'll go back, uhhh

With two heaters on the waist of me, man who's facin me?[Chorus:]

Keep quiet down your way no lip

Or I come through with the hammer make you lose yo' health
Fast, roll with dashes, move like Cassius Clay
Move yay like caskets, there's a will there's a way
Obey my thirst move yay through traffic
Without Sprite, without Nike's
I just do it bar break your basket
Yeah you damn right, without ice
I pull up to your honey car and stuff her basket
International post player, circle the atlas
You don't want to be hoe playas, circle the hood
Bend over backwards, without searchin for backwoods[Chorus:]
