

# Drama (Max K-Hole Mix)

## Erasure

One rule for us

For you another Do unto yourself as you see fit for your brother.

Is that not within your realm of understanding?

A fifty second capacity of mind

Too demanding? Well then poor unfortunate you

There are a myriad of things that you can do

Like pick up a pen and paper or go talk to a friend

The history of the future

No violence or revenge. Your shame is never ending

Just one psychological drama after another.

You are guilty and how you ever entered into this life God only knows the infinite complexities of love.

We all have the ability

Our freedom is fragile.

We all laugh and we cry don't we? We all bleed and we smile. Your shame is never ending

Just one psychological drama after another.

You are guilty and how you ever entered into this life God only knows you're not to sacrifice the art of love.

Your shame is never ending

Just one psychological drama after another.

You are guilty and how you ever entered into this life God only knows the infinite complexities of love.

We are guilty and how we ever entered into this life

God only knows we're not to sacrifice the art of love.

We are guilty and how we ever entered into this life God only knows the infinite complexities of love.

We are guilty and how we ever entered into this life God only knows the ultimate necessity of love.
