

# Always There

[Todd Agnew](#)

Ive been leaning on things Im finding unstable  
Ive been standing on things that are unsure  
Ive been surrounding myself with things Im finding unable to fill me  
Unable to still my trembling soulBut Youre always there when I turn around  
Even though Ive been running for so long  
Youre always there when I cry out  
Even when Ive been silent for so long  
Youre always there when I need You, I need YouIve been reaching for things that are no good to me  
Ive been wrestling with things that are bringing me down  
Ive been losing sleep over things that really dont matter  
I know You want better but its so hard to see Your sideBut Youre always there when I turn around  
Even though Ive been running for so long  
Youre always there when I cry out  
Even when Ive been silent for so long, so long  
Youre always there when I need You, I need YouCan You hear me?  
Can You hear me calling?  
'Cause its been so long  
And Im sorry that its been so long, so longYoure always there when I turn around  
Even though Ive been running for so long  
Youre always there when I cry out loud  
Even when Ive been silent for so long, so longYoure always there  
Youre always there  
Youre always there when I need You, I need You  
Nees You
