Calling Sarah (Demo)

Jellyfish

I know it sounds unfair
She's like a painting standing there
I thank the Heavens up above
For the one that I'm thinking ofCalling Sarah
Crawling back to Sarah
'Cause you're the oneSometimes it's awful hard to take
The way she takes me all the way
She's delicious beyond compare
I'd love to tell her but instead I stareCalling Sarah
Crawling back to Sarah
'Cause you're the oneCalling Sarah
Crawling back to Sarah
'Cause you're the oneAnd when you ask me if I really love you
I can't wait to tell you
And if you ever feel you don't believe me
And don't you trust your feeling
'Cause it'd be so hard to take when you're away
I wouldn't last one dayThat's why I'm calling Sarah
Crawling back to Sarah, SarahCalling Sarah
(That's why I'm calling)
Crawling next to SarahCalling Sarah
(And when you ask me if I really missed you)
(I can't wait to tell you)
Crawling back to
Cause you're the one
