Once (Encore)

Blackfield

Want you to know
That I could go anytime
I want you to knowGave me her lips
Gave me her perfect hips
And I slow down
I slow down in loveOnce I rise insideCHORUS:
Once she would hold me
She was my only
Only true love
Once she had told me
That I'm holy
Only so longShe'll stay all night
She'll be so quiet
And she won't laugh at my jokesOnce I rise inside
