

# Once (Encore)

## Blackfield

Want you to know  
That I could go anytime  
I want you to know Gave me her lips  
Gave me her perfect hips  
And I slow down  
I slow down in love Once I rise inside CHORUS:  
Once she would hold me  
She was my only  
Only true love  
Once she had told me  
That I'm holy  
Only so long She'll stay all night  
She'll be so quiet  
And she won't laugh at my jokes Once I rise inside
