Funky Dollar Bill

Funkadelic

Funky dollar bill, U.S. dollar bill
Funky dollar bill, U.S. dollar billYou go to school to learn the rules
On how to love and live your life
But think about it twiceThe pusher push, the fixer fix
The judge acquits, the junkie leads his life
For the dollar billFunky dollar bill, U.S. dollar bill
Funky dollar bill, U.S. dollar billYou don't buy a life, you live a life
A father learns much too late
He was a-never homeHe worked two jobs, never stayed at home
He had to 'cause, his love life was goneFunky dollar bill, funky the dollar bill
Funky dollar bill, U.S. dollar billIt'll buy a war, it will save a land
It pollutes this air, in the name of wealth
It'll buy you a life but not true life
The kind of life where the soul is lostI mean a dollar bill
(Funky dollar bill)
U.S. dollar bill
(U.S. dollar bill)I mean a dollar bill
(Funky dollar bill)
U.S. dollar bill
(U.S. dollar bill)Funky dollar bill
(Funky dollar bill)
U.S. dollar bill
(U.S. dollar bill)
