

Crazy People

Beat Detectives

Sittin' on the corner of 33rd and utter hell
You ain't killed nobody today, but I ain't well
 You smellin' like cat litter, still bitter
Hangin' up on strippers, working on my 3rd bottle of liquor
 Walk around the earth stressed
 I guess, I'll have another panic attack
 It's always darkest right before it's pitch black
 I've been buggin' since I fell out of my mothers dress
 World full of crazy people and I guess I'm one in the same
 How did I get so dirty, you can see it on my face
And I tell you man it's evil, but I don't know no other game
 So ya'll better give me some praise
 But I ain't killed nobody today, just yet
 I'm mood swingin' like a wreckin' ball
 Knockin out a wall and I don't got a gun
 So I'm shootin' birds at ya'll
 And it piss me off more that you don't fall
 I oughta take a ball of C4 to the mall
Lookin' out the window and the world calls me a chump
 Smokin' a cig at the gas pump
 Hey you wanna' bump
 Excuse me sir, can you spare a buck of two
 The worlds a cess pool and I'm a piece of shit
 Fuck you mother fucker, I need liquor too
Stomach hangin' out my mouth when I'm blowin grits
 I'm like a rat inside the wheel and it's played out
 Drivin' off a cliff, smoke a spliff on the way down
 Can't get a bitch, all of them are gay now
 Man, ya'll done lost ya'll mind
Hey pal, got the time? Does anybody really know?

 We're just cuttin' in line
 Well, so has everybody else
World full of crazy people and I guess I'm one in the same
And I tell you man it's evil, but I don't know no other game
 How did I get so dirty, you can see it on my face
 But I ain't killed nobody today, just yet
 So ya'll better give me some praise
 And how am I suppose to walk

And how am I suppose to talk
And how am I suppose to live
When I ain't gotta damn thang to give
(Repeat)
Me neither
Hey you wanna get a 50 piece, nah
You ever wanna kill a cop, nah
Me neither
Ever contemplated suicide, nah
Me neither
You ever wanna run through a mall with an M16
Yellin' kill em all, nah
Me neither
Leavin' nothin' but body parts, wrecked cars and brains, nah
You ever wanna swerve into the oncoming lane
Well, me neither
World full of crazy people and I guess I'm on in the same
And I tell you man it's evil, but I don't know no other game
How did I get so dirty, you can see it on my face
But I ain't killed nobody today, just yet
So ya'll better give me some praise
