

# Family

## Hanni El Khatib

Verse 1:

I wanna be somebody else today

I wanna take my shoes out

It aint like me to complain

But it just feels like Im losing

Whats up to the people that dont know me

Better be buried in the sand

Climb up to the moonlight

Spit right in the palm of my handChorus:

Cause we are, we are family

We are family

F-A-M-I-L-Y till the day we die

Verse 2:

This aint open any question (?)

You gotta tell me straight

Before I get it in the air (?)

But I dont know how to be it

And Im gone, and I know

Spy if you want me to know

I told my momma I dont even care

And even though I hate em, I love em soChorus:

Cause we are, we are family

We are family

F-A-M-I-L-Y till the day we die

Verse 3:

I woke up in the gravel, with my face against the ground

Had some cuts on my upWer lip

Swept in by the sound

Of a dog barking like a maniac

He was tied up to a chain

With the moment that I let him lose

Fangs were digging in my veinsChorus:

Cause we are, we are family

We are family

F-A-M-I-L-Y till the day we die
