Girls

Hadouken!

Girls
Where's all the (girls)
Where's all the good ones gone?
The stable ones
the single ones
the ones with nothing wrong
Girls
Where's all the (girls)
where are they dya reckon?
i know a few, I'll introduce you
now just give me a second.
say hello to my mate Mike
he's quite the sensitive type
just split with his girlfriend
and now he's on the scene again
Mike says there's no one out there
no good ones he don't care
been looking in the wrong place
well Mike I'm one the case
Yer!!!
it's Hadouken!
back in your eardrum
don't get it twisted.
Let's do this...
Girls
Where's all the (girls)
Where's all the good ones gone?
The stable ones
the single ones
the ones with nothing wrong
Girls
Where's all the (girls)
where are they dya reckon?
i know a few, I'll introduce you
now just give me a second.
There's plenty of girls out there
you'll find someone that's perfect somewhere.
There's plenty of fish in the sea
I'll help you catch a nice girl

that's free.
see Angie's got engaged again
and Sarah's into S and M
Megan likes the older men
and Kelly does to much ketamine
Brooke she comes with too much luggage.
Mural wants a sure on marriage
Helen ain't got mental health
apparently she likes too cut herself.
Girls
Where's all the (girls)
Where's all the (girls)
Where's all the good ones gone?
Girls
Where's all the (girls)
Where's all the (girls)
the ones with nothing wrong
Girls
There's plenty of girls out there
you'll find someone that's perfect somewhere.
There's plenty of fish in the sea

I'll help you catch a nice girl
that's free.
Suzey can't keep her mouth shut
and Beth ain't over the last breakup
Holly cries when she gets pissed
still, ill I'll put her on the maybe list
everyone knows the girls' a nut-case
and Tanya's got expensive tastes
Laura well she likes the lads
got three kids with three different Dads.
OK
yer, alright i see your problem
OK I got you
Nar mate she's taken
what mine, no way mate
Girls
Where's all the (girls)
Where's all the good ones gone?
The stable ones
the single ones
the ones with nothing wrong
Girls
Where's all the (girls)

where are they dya reckon
i know a few, I'll introduce you
now just give me a second.
(Girls where's all the Girls?)
(Girls where's all the Girls?)
There's plenty of girls out there
you'll find someone that's perfect somewhere.
There's plenty of fish in the sea
I'll help you catch a nice girl
that's free.
There's plenty of girls out there
you'll find someone that's perfect somewhere.
There's plenty of fish in the sea
I'll help you catch a nice girl
that's free....
Girls
Where's all the (girls)
Where's all the good ones gone?
The stable ones
the single ones
the ones with nothing wrong
Girls
Where's all the (girls)
where are they dya reckon?
i know a few, I'll introduce you
now just give me a second
Girls
Where's all the (girls)
Where's all the good ones gone?
The stable ones
the singles ones
the ones with nothing wrong
Girls
Where's all the (girls)
where are they dya reckon?
i know a few, I'll introduce you
Now just give* me a second (second second second)
