

# Dope Man Pushin' (feat. Papa Reu)

## Scarface

Nigga I ain't starvin' I'm the dopeman  
Got no fam, I'm heartless as they make dudes, I'm programmed  
These niggas out here flashin', that's a no-no  
I'm cut from that old log, we don't talk to po-po's  
I kill about my dough-dough, ya peeped that  
Solo when I did dirt, bar none of y'all, I'm seasoned  
Go dumb dumb if they forcin' me to squeeze it  
I don't hesitate cuz I know I can keep a secret  
Set up on my corner with my 50 pack  
Sold it rock for rock and then I double back  
Moved around the corner, had them niggas pumped  
Every other day I scored another hunk  
Ounces nigga, ounces upon ounces nigga  
Bitch you out here frontin', you's a bouncer nigga  
Hangin' in that club talkin' loud n' shit  
Up'd that .45 and got you outta this  
Ever seen a nigga with that pistol out?  
Walk up in ya house a stick it in ya mouth  
Dopeman nigga, fuck you talkin' bout?  
Shoot yo ass twice and then I'm walkin' out
