Static

Screeching Weasel

Advisory - the following lyrics contain explicit language:

static it almost has you begging for a gun to put to your head static cryogenics for the mind crawling for the safety of your bed static another strip mall solution for the endless insanity static deliberate de-evolution of the soul of a species and if i see another crack then i think i'm gonna crack 'cause i can't go on static a leering millionaire comedian cum working man on tv static a systematic corrosion of the core of society static cartoon voices on the radio encouraging a shaking fist static another virus feeding off teh frenzied orgy of violence and if i see another crack then i think i'm gonna crack 'cause i can't go on
