

Been a Long Time (feat. YG & Ty Dolla \$ign)

DJ Mustard

[Hook: YG]

It's been a long time, a time I shouldn't left you
Without a Mustard beat to step to
Flex to, let loose, finesse to

Nigga, nigga, nigga, nigga, bang your set too
It's been a long time, a time I shouldn't left you

Without a Mustard beat to step to
Flex to, let loose, finesse to

Nigga, nigga, nigga, nigga, bang your set too[Verse 1: YG]

Aw damn, no they didn't

Three Musketeers back together and they winning

And they getting too much money

Turn niggas rich then the crew must love me

4Hunnid chain by the tummy

Skinny jeans, thing hang by the tummy

Don't underestimate me buddy

This 4 pound bark I had to tell it hush puppy

You chasing ghosts like Pac man

We chasing being rich ass black man

I got dough but I gotta keep this dough coming

I don't rock designer, I design, 4Hunnid

I must be an entrepreneur or something

Gotta fuck your bitch, playing, always tryna pursue something

Me and Ty was bool, me and Mustard fell off

Now we picking up where we left off

[Hook: YG]

It's been a long time, a time I shouldn't left you

Without a Mustard beat to step to

Flex to, let loose, finesse to

Nigga, nigga, nigga, nigga, bang your set too

It's been a long time, a time I shouldn't left you

Without a Mustard beat to step to

Flex to, let loose, finesse to

Nigga, nigga, nigga, nigga, bang your set too[Verse 2: Ty Dolla \$ign]

Aw shit yeah they did

3 of Americaz most wanted

The one that got the west back started

That bullshit we back on it, ayy

I was out getting it

I was up late night always trying to stare
Always seen the big picture
Always ten toes stomp down like a real nigga (oh ya)
Had to make my own rules
Had to set examples for my young bools
Sucka nigga do when he can
Rich nigga do what he want to
Been a long time since you seen us
Well nigga this the re-up
Bad bitch in the Lamb with her feet up
Tell my nigga Mustard keep the beat up[Hook: YG]
It's been a long time, a time I shouldn't left you
Without a Mustard beat to step to
Flex to, let loose, finesse to
Nigga, nigga, nigga, nigga, bang your set too
It's been a long time, a time I shouldn't left you
Without a Mustard beat to step to
Flex to, let loose, finesse to
Nigga, nigga, nigga, nigga, bang your set too
