

Don't Give Up

Bugle

VERSE 1

Not everyday I feel like my best
Sometimes me a fi pree if its a trial and test
Feel me wudda give up all me girl me wudda lef
a try fi find a way ,but me a tek it step by step (yeyyyy)
mamma tell me ,Jah know she did warn me
More time the devil link him bring a friend or a army
So please watch your back and watch your every step
When the Pressures of life a make you fret ...

CHORUS

Just don't give up yea all though the struggle hard
All when ya play the game and ya come fuss without reward
All when you loose the cash-pot draw
And all your friends forsake and gone
just hold on to your faith and climb....
Just don't give up yea the battle is not lost
We a fight the fight of victory
Like a rebel with a cause
Run the enemy chant a psalms
like a solider take command
hold on to your faith and climb
failure is just a state of mind

VERSE 2

And there are days when my life is just a mess
No school fee for the kids and all me wife a say she stress
Please father God me a beg you bring me through this test
Me deh pon mi knees a pray looking for a brighter day

And there are days when I just wanna fly away
Stay for a while Come back some other day
I'm like a bird with a broken wing a car without no rims
water in a mi eyes but mi a sing

(CHORUS REPEAT)

VERSE 3

Then they're days when a little wi find it
Jahvy the hypocrite friends bad-mind it

Father God me a look to you
Mi problems look them through (hmm)
AAAAAAAAAAAAAAAA(IN MELODY OF VERSE)
