

I Just Want To Be Your Everything

The Best Pessimist

For so long you and me been finding each other for so long
And the feeling that I feel for you is more than strong, girl take it from me
If you give a little more than you're asking for your love will turn the key Darling mine I would wait forever for
those lips of wine
Build my world around you, darling, this love will shine girl, watch it and see
If you give a little more than you're asking for your love will turn the key I , I just want to be your everything
Open up the heaven in your heart and let me be
The things you are to me and not some puppet on a string
Oh , if I stay here without you, darling, I will die
I want you laying in the love I have to bring
I'd do anything to be your everything Darling for so long you and me been finding each other for so long
And the feeling that I feel for you is more than strong girl, take it from me
If you give a little more than you're asking for your love will turn the key I , I just want to be your everything
Open up the heaven in your heart and let me be
The things you are to me and not some puppet on a string
Oh, if I stay here without you, darling, I will die
I want you laying in the love I have to bring
I'd do anything to be your everything I , I just want to be your everything
Open up the heaven in your heart and let me be
The things you are to me and not some puppet on a string
Oh, if I stay here without you, darling, I will die
I want you laying in the love I have to bring
I'd do anything to be your everything
