

# I Just Want To Be Your Everything

## The Best Pessimist

For so long you and me been finding each other for so long

And the feeling that I feel for you is more than strong, girl take it from me

If you give a little more than you're asking for your love will turn the keyDarling mine I would wait forever for  
those lips of wine

Build my world around you, darling, this love will shine girl, watch it and see

If you give a little more than you're asking for your love will turn the keyI , I just want to be your everything

Open up the heaven in your heart and let me be

The things you are to me and not some puppet on a string

Oh , if I stay here without you, darling, I will die

I want you laying in the love I have to bring

I'd do anything to be your everythingDarling for so long you and me been finding each other for so long

And the feeling that I feel for you is more than strong girl, take it from me

If you give a little more than you're asking for your love will turn the keyI , I just want to be your everything

Open up the heaven in your heart and let me be

The things you are to me and not some puppet on a string

Oh, if I stay here without you, darling, I will die

I want you laying in the love I have to bring

I'd do anything to be your everythingI , I just want to be your everything

Open up the heaven in your heart and let me be

The things you are to me and not some puppet on a string

Oh, if I stay here without you, darling, I will die

I want you laying in the love I have to bring

I'd do anything to be your everything
