

# Shout

## Onerepublic

In violent times  
You shouldn't have to sell your soul  
In black and white  
They really, really ought to know  
Those one track minds  
That took you for a working boy  
Kiss them goodbye  
You shouldn't have to jump for joy  
You shouldn't have to shout  
Shout, shout, let it all out  
These are the things I can do without  
Come on, I'm talking to you, come on  
Shout, shout, let it all out  
These are the things I can do without  
Come on, I'm talking to you, come on

In violent times  
You shouldn't have to sell your soul  
In black and white  
They really, really ought to know  
Those one track minds  
That took you for a working boy  
Kiss them goodbye  
You shouldn't have to jump for joy  
You shouldn't have to  
Shout, shout, let it all out  
These are the things I can do without  
Come on, I'm talking to you, come on  
Shout, shout, let it all out  
These are the things I can do without  
Come on, I'm talking to you, come on
