

# Waiting For My Real Life To Begin (radio edit)

Colin Hay

Any minute now my ship is coming in  
I'll keep checking the horizon  
And I'll stand on the bow  
And feel the waves come crashing  
Come crashing down, down, down on me And you said, "Be still, my love  
Open up your heart  
Let the light shine in"  
Don't you understand?  
I already have a plan  
I'm waiting for my real life to begin When I awoke today suddenly nothing happened  
But in my dreams I slew the dragon  
And down this beaten path  
And up this cobbled lane  
I'm walking in my own footsteps once again And you say, "Just be here now  
Forget about the past  
Your mask is wearing thin"  
Let me throw one more dice  
I know that I can win  
I'm waiting for my real life to begin Any minute now my ship is coming in  
I'll keep checking the horizon  
And I'll check my machine  
There's sure to be that call  
It's gonna happen soon, soon, oh so very soon  
It's just that times are lean And you say, "Be still, my love  
Open up your heart  
Let the light shine in"  
Don't you understand?  
I already have a plan  
I'm waiting for my real life to begin Hey heyeyeyeyey  
Hey yeeeeeee  
Hey heyeyeyeyey  
Eeh eeh eeh eeh eh x5 On a clear day  
I can see, see for a long way On a clear day  
I can see, see a very long way
