A Friend

IDMC

HOOK
All I ever want is to be a friend,
All you'll ever need (is a friend like me)V1
I will be, what you want, when you want me, where ever you need me
In your darkest hour when you need a friend to trust It's the time
You've made a mistake, your friends have turned their backs,
Even though you've tried to make amends to no avail
You feel so low
Why don't you stop and take another look
I'm here with stretched out hands for you
Don't you KnowHOOKV2
I will be, what you want, when you want me, where ever you need me
When you need me just call me, I'll answer, I'll be right there
It's your time
For you to call the name of Jesus
You're calling and asking me to intervene
Into things your normal friends just don't understand
Don't waste time
On where you help will come from
Your help comes from your Lord on highHOOKOUTRO
He's a friend to the friendless
Home to the homeless,
Eyes for the blind man
Voice for the dumb manOUTRO 2
Jesus, I love you (x2)
I love you early in the morning
Real early in the morning, in the midnight hour, In the afternoonJesus, I love you. Jesus, cause you loved me
Jesus, I'll serve you, Jesus, 'cause you saved meYou saved me early in the morning
Real early in the morning
In the midnight hour, and in the afternoon
