

# Chica Chica Boom Chic (Remastered)

[Xavier Cugat](#)

Come on and sing the Chica Chica Boom Chic  
That crazy thing, the Chica Chica Boom Chic  
Brazilians found the Chica Chica Boom Chic  
They like the sound of Chica Chica Boom Chic  
It came down the Amazon from the jungles  
Where the natives greet ev'ry one they meet beatin' on a tom tom  
Boom chi-boom chi-boom, boom chi-boom chi-boom, It don't make sense, The Chica Chica Boom Chic  
But it's immense, the Chica Chica Boom Chic  
That's all you've got to say to chase the jinx away  
Chica Chica Boom, Chica Chica Boom  
Chica Chica Boom Chic! Boom Chic!
