Is that what it is? I'm just successful  
Maybe I'm too good to hood, low down no good  
I just keep shit real like you should Twist my fingers, throw up my hood  
Let's get this money, I know I would  
I know that's right but still we do wrong  
J-bo got thirty but still we moved on Get them clamps out, get my groove on  
I stay iced out, get my cool on  
Best be cool homes, get my goin' on on  
I'll bust them to homes, get my lose on Let's talk about hate 'cause I get allot of that

Then we can talk about money 'cause I get allot of that  
I get allot of that, I get allot of that  
I get allot of that 'cause I get allot of that They say young fell off, yeah the boy done lost it  
Been porting all my life, baby, I'm just exhausted  
I take a Gatorade break to get everything straight  
Now I'm sittin' here like how much Gatorade make How much money would it take to make some more money?  
Damn right, a nigga straight come get some more from me  
I sold millions, made them millions  
But still you doubt me, what's this without me? Can't be that bad, still got my trap swag  
And every time I do a show I leave with a trap bag

Money in trash bags, I call that garbage  
Twenty thousand a trash bag, it looks like garbageLet's talk about hate 'cause I get allot of that  
Then we can talk about money 'cause I get allot of that  
I get allot of that, I get allot of that  
I get allot of that 'cause I get allot of thatLet's talk about hate 'cause I get allot of that  
Then we can talk about money 'cause I get allot of that  
I get allot of that, I get allot of that  
I get allot of that 'cause I get allot of thatI get allot of that, allot of this, I need allot of it  
Sit on my bedroom floor counting all of it  
That money be ludicrous, it just might shock you  
If you can't find chaka then my right hands keep itLook, I am simply one of the best  
Can't even lie, I can't vouch for the depressed  
Just like zip lock, they get killed in the plastic  
Best add five grams so you can weigh it in plasticI am so dirty, they wrap me in plastic  
When they wrap me in plastic need to put me in traffic  
They say that I'm difficult, even different  
Show me the difference, I'll bring you the differenceLet's talk about hate 'cause I get allot of that  
Then we can talk about money 'cause I get allot of that  
I get allot of that, I get allot of that  
I get allot of that 'cause I get allot of thatLet's talk about hate 'cause I get allot of that  
Then we can talk about money 'cause I get allot of that  
I get allot of that, I get allot of that  
I get allot of that 'cause I get allot of thatI get allot of that, I get allot of that  
And I seen allot of that and I got allot of that
