

Take Good Care Of My Baby

Bobby Vinton

My tears are fallin' cause you've taken her away
And through it really hurts me so
There's something that I gotta say
Take good care of my baby
Please don't ever make her blue
Just tell her that you love her
Make sure you're thinking of her
In everything you say and do
Take good care of my baby
Now don't you ever make her cry
Just let your love surround her
Don't let her see a cloudy sky
Once upon a time that little girl was mine
If I'd been true I know she'd never be with you, so
Take good care of my baby
Be just as kind as you can be
And if you should discover
That you don't really love her
Just send my baby back home to me
Take good care of my baby
Please don't ever make her blue
Just tell her that you love her
Make sure you're thinking of her
In everything you say and do
Take good care of my baby
Now don't you ever make her cry
Just let your love surround her
Don't let her see a cloudy sky
Once upon a time that little girl was mine
If I'd been true I know she'd never be with you, so
Take good care of my baby
Be just as kind as you can be
And if you should discover
That you don't really love her
Just send my baby back home to me
Oh take good care of my baby, take good care of my baby
Just take good care of my baby
