

Fingers (With 30 Seconds of Silence)

Pink

I'm alone now staring at the ceiling
I'm kinda bored now, I can't sleep
And you only can make my life complete
And when you come you slip into a dream
When it's late at night and you're fast asleep
I let my fingers do the walking
I press record, I become a fiend
While no one else is watching
I let my fingers do the walking
I'm starving for some attention
I'm begging, pleading, bleeding for a suggestion
I bite my tongue because I wanna scream
I'm almost there then you turn and look at me
When it's late at night and you're fast asleep
I let my fingers do the walking
I press record I become a fiend
While no one else is watching
I let my fingers do the walking
Rewind and you will see
While in the morning I'm happy
Right there on the tv screen
Me vengo, me vengo I'm restless, you need some caffeine
I'm wasted if you could only see
Cuz I need more than you are gonna give
When it's late at night and you're fast asleep
I let my fingers do the walking
I press record I become a fiend
While no one else is watching
I let my fingers do the walking
