The Blessing

Cannonhands

In the morning when you rise
I bless the sun, I bless the skies
I bless your lips, I bless your eyes
My blessing goes with you
In the night time when you sleep
Oh, I bless you while a watch I keep
As you lie in slumber deep
My blessing goes with you
This is my prayer for you
There for you, ever true
Each every day for you
In everything you do
And when you come to me
And hold me close to you
I bless you
And you bless me too
When your weary heart is tired
If the world would leave you uninspired
When nothing more of love's desire
My blessing goes with you
When the storms of life are strong
When you're wounded, when you don't belong
When you no longer hear my song
My blessing goes with you
This is my prayer for you
There for you, ever true
Each every day for you
In everything you do
And when you come to me
And hold me close to you
I bless you
And you bless me too
I bless you
And you bless me too
