

# Juggernaut

## Jay C & Mikel Curcio

I have suffered  
For your sins  
But now is when  
My fun begins If I hit you  
Turn your cheek  
You are righteous  
But you are weak Orgy-Porgy, Ford and fun  
Kiss the girls and make them one  
Boys at one with girls at peace  
Orgy-Porgy gives release American dream  
Turns to dust  
So give us a God  
That does not rust Points of light  
Quickly fade  
You are food  
But you are saved Juggernaut This is it  
We've reached the border  
This is it  
The New World Order If I die  
Before I wake  
I pray The Order  
My soul to take Orgy-Porgy, Ford and fun  
Kiss the girls and make them one  
Boys at one with girls at peace  
Orgy-Porgy gives release
