The Crisis

Erwin McManus

Centered in stillness
Spirits move beyond the flesh
Tortured soul in a cage of flesh
Meant to be brokenCentered in stillness
Spirits move beyond the flesh
YeahRunning from the truth
Well, the truth will set you free
To see the real lifeDeaf to the voice of the spirit
That sets you free
To see the crisisCentered in stillness
Spirits move beyond the flesh
Tortured soul in a cage of flesh
Meant to be brokenCentered in stillness
Spirits move beyond the flesh
YeahRunning from the truth
Well, the truth will set you free
To see the real lifeDeaf to the voice of the spirit
That sets you free
To see the crisisThese eyes see life through death
These eyes see life through death
YeahMany are called but chosen are few
Many are called but chosen are few
