

# Sex Is Not The Enemy

## Garbage

No evolution, sometimes it depresses me  
The same old same, oh, we keep repeating history  
    The institution curses curiosity  
    It's our conviction, sex is not the enemy  
        A revolution is the solution  
        A revolution is the solution  
I don't feel guilty, no matter what they're telling me  
    I won't feel dirty and buy into their misery  
I won't be shamed 'cause I believe that love is free  
    It fuels the heart and sex is not my enemy  
        A revolution is the solution  
        A revolution is the solution  
True love like gold, there's not enough to go around  
But then there's God and doesn't God love everyone?  
    Give me a choice, give me a chance to turn the key  
        And find my voice, sex is not the enemy  
        A revolution is the solution  
        A revolution is the solution  
        Sex is not the enemy  
        A revolution, ooh
