Fear Of Flying

Corbin Bleu

Oh, oh, oh, oh, yeah
Some things last till the end of time
But what we had just couldn't survive
I got so used to you in my life
So now that you're gone there's something missing insideHow can you expect me to just move on?
When you're what I live for
You're all I know
Got so used to having you to lean on
Without you I'm left with
The fear of flying
Can't do it on my own
Flying
Can't do it on my own
Flying
I just can't do it on my own
OhIf time should heal the pain and the hurt
Then why do I fell like it's getting worse?
Since you disappeared I finally learned
That my biggest fear came to life when I lost you girlHow can you expect me to just move on?
When you're what I live for
You're all I know
Got so used to having you to lean on
Without you I'm left with
The fear of flying
Can't do it on my own
Flying
Can't do it on my own
Flying
I just can't do it on my own
OhNow that I'm standing here at the edge
If I trip then I'm falling without you my friend
I don't think you'll ever know how much you meant to me
Why did our love had to end?How can you expect me to just move on?
When you're what I live for
You're all I know
Got so used to having you to lean on
Without you I'm left with
The fear of flying
Can't do it on my own

Flying
Can't do it on my own
Flying
I just can't do it on my own
Oh
