

Volume of Neglect

Napalm Death

Speculate freely
Begrudge me intensely
Lacking a conscience
Lacking intelligenceLesser than nothing
Lower than everything
As you drain our vitality
To a mundane realityA form of therapy
Without compensation
A vague psychology
Free from obligationIntercept the negligence
Accept the consequence
Amongst Barbaria
Mass hysteriaOpposite in a sign to abide
When the future is ours to decide
We continue to watch and observe
Just to find out what purpose it servesParalyzed
A spectacle for all to see
Happiness within our grasp
But out of reachVolume of neglect
Forcibly expressed
Volume of neglect
Forcibly expressedDevastate
A silhouette
Calm and sereneAbandon
A systematic
Insane routineVolume of neglect
Forcibly expressed
Volume of neglect
Forcibly expressedOpposite in a sign to abide
When the future is ours to decide
We continue to watch and observe
Just to find out what purpose it servesVolume of neglect
Volume, volume of neglect
Volume
