On the Fence

Milo Greene

Am I right to think that you
Are just a little bit more, little bit more becoming
Is it true to think that you won't cut me loose
Am I just a little bit more, little bit more than nothing to youPart of me keeps coming back
To the part of you I want around
I'm on the fence about it again
Do I let you go or let you inI'm on the fence, you won't shut me out
(Never going to shut you down even if I'm on the fence)
You won't shut me out and I'm on the fence, you won't shut me out
(Never going to shut you down even if I'm on the fence)
You won't shut me out and I'm on the fenceI'm not trying to think it through
But you keep making me doubt, making me doubt about it
If I try to make you choose I know I'll lose
But you keep making me doubt, making me doubt about what to doPart of me keeps coming back
To the part of you I want around
I'm on the fence about it again
Do I let you go or let you inI'm on the fence, you won't shut me out
(Never going to shut you down even if I'm on the fence)
You won't shut me out and I'm on the fence, you won't shut me out
(Never going to shut you down even if I'm on the fence)
You won't shut me out and I'm on the fenceShut me down, shut me down but not this way
Shut me down, shut me down but not this way
Shut me down, shut me down but not this way
Shut me down, shut me down but not this wayI'm on the fence, you won't shut me out
(Never going to shut you down even if I'm on the fence)
You won't shut me out and I'm on the fence, you won't shut me out
(Never going to shut you down even if I'm on the fence)
You won't shut me out and I'm on the fence
