Life On Fire

For All Those Sleeping

Your life on fire!
Your life on fire!

How could it ever be! I gave my life to you,
And you just left me for days, but nothing
Comes without consequence, The day that you left
Me was the day I left my heart!

I wanna watch you burn, I wanna be the one
To strike the match that sets your life on fire,
I wanna be the one to watch you fall, I swear I'll
Be the one, to set your life on fire!

Your life on fire!
Your life on fire!

Do you wanna know what its like to lose everything,
Ill take everything you want till your left with
Nothing, you should of know you can't get rid of me
That easy, now all I'll wait for is the chance to
Make you bleed!

Who do you think you are, don't you know, the day that
You left me was the day I left my heart!

I wanna watch you burn, I wanna be the one
To strike the match that sets your life on fire,
I wanna be the one to watch you fall, I swear I'll
Be the one, to set your life on fire!

I'll take this gasoline and I'll take this lighter,
I'll see your life on, I'll see your life on fire!

I wanna watch you burn, I wanna be the one
To strike the match that sets your life on fire,
I wanna be the one to watch you fall, I swear I'll
Be the one, to set your life on fire!

Your life on fire!
Your life on fire!
