Baby, I'll Be Home Soon

Justin Burke

I felt the breeze by the coast right at sunset,
I took a flight, NYC havenâ€™t stopped yet

Watch the evening clouds roll through,

All I want is you,

From London to Paris on to Tokyo,
Sailed a boat, cross the shore of the Gulf Coast

Never seen a better view,
Except when Iâ€™m with you

All I wanna do,
Is find a way to get back home to you,
Cause you and I weâ€™re the perfect two,

And I know
Iâ€™ll never find a better, baby Iâ€™ll be home soon
(Baby, Iâ€™ll be home soon)

Itâ€™s been 30,000 miles since we last kissed,
Picture perfect sceneries, your still missed

Ocean view in Malibu,

All I want is you

So Iâ€™m sending text after text,
It hasnâ€™t stopped since I left
And Iâ€™ve been seeing this world,
But I wish I could take you with

I miss that pretty face and you know it,
Midnight calls just donâ€™t do it,
Making it hard to live in the moment,

So Iâ€™ll be coming back soon

All I wanna do,

Is find a way to get back home to you,
Cause you and I weâ€™re the perfect two

And I know,
Iâ€™ll never find another better, baby Iâ€™ll be home soon
(Baby, Iâ€™ll be home soon)

(Baby, Iâ€™ll be home soon)

All I wanna do,
Is find a way to get back home to you,
Cause you and I weâ€™re the perfect two

And I know,
Iâ€™ll never find another better, baby Iâ€™ll be home soon

All I wanna do,
Is find a way to get back home to you,
Cause you and I weâ€™re the perfect two

And I know,
Iâ€™ll never find another better, baby Iâ€™ll be home soon
(Baby, Iâ€™ll be home soon)
