

Blow Your Mind

The Muffs

When you're talking too redundantly
Can't you see your mind is unstable?
If you wanna put it all away
Then why'd you blow your mind out every day I don't recommend it anyway
If you say, I did then you're a liar
If you're dumber than a box of hay
You'll probably blow your mind out anyway Can't you see? Can't even count to three
And you can't walk and talk at the same time
If you wanna put it all away
Then why'd you blow your mind out anyway If you're dumber than a box of hay
You'll probably have no mind left anyway
Can't you see your little fantasy?
And you will talk and talk until you die
