

Get To Know Ya

Maxwell

They be tryin' to bring you flowers
You prefer your roses blue
Others was tryin' to get in your trousers
I was just tryin' to get in you
I was just tryin' to get with you honest That's why them boys be scared of you
You never let them get past pajamas
Oh, when you find the time
How can I get to know ya? Yo' name, number, game
Tell me anything
I gotta get to know ya
Yo' way, the words you'd probably say
When you want, I'll be here baby
Longin' to know ya I know that, you'll never see me
I know that, I'm not your style
I know that, you don't need me
But you do, you drive my dreams wild
Lady I got to know ya Name, number, game
Oh, I gotta get to know ya
Yo' way, the words you'd probably say
When you want, I'm right here baby
Longin' to know ya
Feel me, uhh yeah Know you
Ha ha, know ya, ooh
I gotta get to know ya
Lady, I gotta know, know, know Tell me anything
I gotta get to know ya
Tell me anything
Longin' to know ya Know you
Ha ha know ya, ooh
Longin' to know ya Know you
Ha ha, know ya, ooh
I gotta get to know ya Know you
Ha ha, know ya, ooh
I gotta get to know ya
