Drug Dealer Friend

Emmure

I wanna watch you suck his dick
I know you fucking love it, bitch
Choke, do you see me now?
Choke, do you see me now?
Choke, do you see me now?
Choke, do you see me now?
I wanna watch you suck his dick
I know you fucking love it, bitch
Do you see me now?
Do you see me now?

Do you see me now?
You fucking bitch
Do you see me know?
Look at your mind fucking eyes
Do you see me know?
Look at your mind fucking eyes
Do you see me know?
Look at your mind fucking eyes
Do you see me know?
Look at your mind fucking eyes
