Dino Merlin

English

From The Beginning

AND THIS MORNING AGAIN YOU'VE OPENED YOUR EYES AS IF IT WAS A PUNISHMENT
YOU WANDERED A BIT DOWN THE HALLS AT NIGHT
AND SAW THAT THEY WERE EMPTY
YOU COULD NOT EVEN IN YOUR DREAMS
IMAGINE SOMETHING LIKE THAT
YOU DID NOT EVEN WRITE (FILE) THAT UNDER MISCELLANEOUS
THAT ONE SPOT NEXT TO YOUR SIDE OF THE PILLOW
COULD STAY EMPTY FOREVER

LET'S START AGAIN FROM THE BEGINNING
PAIN IS EVERYTHING THAT'S LEFT FROM POSSESSION
LET'S START AGAIN FROM THE BEGINNING
WHO KNOWS WHERE THIS RIVER WILL TAKE US

TIME WILL BE NEEDED FOR
SILENCE TO PLAY IN YOUR CHEST AGAIN
TIME WILL BE NEEDED FOR
THE CABINET TO OPEN WITH NEW MIRACLES

YOU'VE SEARCHED FOR SOMETHING THAT
GOD DID NOT CREATE
LOVE BUT THAT IN IT
THERE IS NOT A GRAIN OF SUSPICION
YOU'VE SEARCHED FOR A MAN
WHO WOULD LOVE YOU
JUST FOR WHO YOU ARE, BUT THERE IS NO ONE LIKE THAT

LET'S START AGAIN FROM THE BEGINNING
PAIN IS EVERYTHING THAT'S LEFT FROM POSSESSION

THIS, WHAT I HAVE NOW
EVERYTHING FROM THE CRADLE TO THE GRAVE
WAS ALWAYS, KNOW THIS
EXPENSIVE AND LUXURIOUS STUFF
THOSE IDEALS THAT WITH TIME
THREATEN TO FADE
WHEN A MAN AND A WOMAN IN LOVE (RELATIONSHIP)

BECOME GRAY (HAIR) TOGETHER (TO GROW OLD TOGETHER)

Bosnian

****Ispocetka****

I ovog jutra si otvorila oči kao po kazni
Malo tumarala po hodnicima noći
I vidjela da su prazni
Nisi mogla ni u snu
Tako ne?to da zamisli?
To nisi pisala ni pod razno
Da bi jedno mjesto s tvoje strane jastuka
Zauvijek moglo ostati prazno

Po?nimo ponovo ispo?etka
Bol je sve ?to ostaje od imetka
Po?nimo ponovo ispo?etka
Ko to zna gdje ?e nas odvesti rijeka

Trebat ?e vremena da
Zasvira ti?ina u tvojim grudima
Trebat ?e vremena da
Se otvori vitrina sa novim ?udima

Tra?ila si ne?to ?to
Bog nije stvorio
Ljubav a da u njoj
Zrno sumnje nema
Tra?ila si ?ovijeka
Koji bi te volio
Samo zbog tebe, a takvoga nema

Po?nimo ponovo ispo?etka
Bol je sve ?to ostaje od imetka

Ovo ?to imamo sad
Sve od kolijevke do groba
Uvijek je bila, znaj
Skupa i luksuzna roba
Ti ideali ?to s vremenom
Prijete da izblede
Kad ?ovijek i ?ena u ljubavi
Zajedno osijede
