## ApologetiX

Is this a real guy? Is he just fantasy?
'Cause of his grand size, no one's safe from fatality
Open your eyes, look up at Goliath, and see:GOLIATH:
I'm dressed for war boys, I need no infantry
Because I'll meet the one you propose
Israelites, pick my foe
Anyway, I'll win, so it doesn't matter to meDAVID:
Mama, there's still no man who can come against this threat
You might figure now we're dead
Mama, Goliath is testing us
And know he's gonna know they're all afraid
Mama, he's a mean and crazy guy
He'll come back again this time tomorrow
Daring us, Scaring us- cause he wants to meet in battle
Hooray! My time has come
Been a shepherd all my life-but I'm taking on this giant
Goodbye, everybody - but not for long
God will lead me all the while I face this brute
C'mon (David you're a whimp though) I'm not gonna die
The One who wins my battle is Lord over allGOLIATH:
I see a little silly shepherd, not a man
What are you trying to prove? You'll be chewed up and mangled!
Send a boy to fight me? A very very tiny flea!DAVID:
Gol-la-liath! Gol-la-liath! Gonna die you big galoot!
I'll kick your butt!
I trust the Lord but nobody trusts meCROWD:
He trusts the Lord but suffers from insanity
Daring to fight 'gaist this monstrosityDAVID:
Evil comes, evil goes- you will get deposedGOLIATH:
I will not, no! I will not get deposedDAVID:
Yes, you will (repeat) Your head will rollGOLIATH:
No, no, no, no, no, no, no!
Come-to-me-a! Come-to-me-a! Let the eagles pick your bones
Beelzebub and his devils gonna fight for me for me for meDAVID:
So you think you can scorn me and spit on my tribe?
So you think you're above me just based on your size?
Oh, baby.... you ain't just duelin' David
You'e gonna get it now- cause God'll win my battle hereCROWD:
Oh yeah! Oh yeah! Oh yeah!DAVID:

Guys I'm really flattered-yet it wasn't me
God wins every battle- God wins every battle for meVOICE:
David will be king soon
