All the Things

Beverly

See my dreaming hands
Feel the snow
Start the motor now
Turn it slow
I love what you wear
Who you know
And all the things you areSee my dreaming heart
Let us play
Make the rules for us
That we may
Tell me what you hear
When I name
All the things you are
See my dreaming heart
In the light
Set the rules for us
Make it right
Could you be so real
Could I fight?
All the things you are
