Amy

Mark Ronson

I don't know why I let go I want to be your friend Flowers grow through my window And I love you again Oh, I love you, oh When you laid me down Into your beautiful garden Flowers in the love of my arms It?s God shining through to me I guess It?s God shining through to me I guess Oh, I love you, Amy Do you still love me? I go to the places where we used to I feel sad I am out here looking for you Sometimes I pretend Oh, I miss you, oh When you laid me down Into your beautiful garden Flowers in the love of my arms Is God playing evil tricks on me? Is God playing evil tricks on me? Oh, I love you, Amy Do you still love me? Oh, I love you, oh When you laid me down Into your beautiful garden Flowers in the love of my arms Is God playing evil tricks on me? Is God playing evil tricks on me? Oh, I love you, Amy Do you still love me? Do you still love me?
