

Creatures of the Night

Iced Earth

Searching in the darkness
Running from the day
Hiding from tomorrow
Nothing left to sayVictims of the moment
Future deep in doubt
Living in a whisper
Till we start to shoutWe're creatures of the night
We're creatures of the nightBreathing in the madness
Spitting out the lies
Searching for an answer
Keep your alibisDon't know where we're going
Just know where we've been
Remember when the clock strikes twelve
The losers always winWe're creatures of the night
We're creatures of the nightSearching in the darkness
Running from the day
Hiding from tomorrow
Nothing left to sayGathering up our courage
Ready for the fight
Howling in the shadows
Till we start to biteWe're creatures of the night
We're creatures of the nightWe're creatures of the night
We're creatures of the night
