

Hogwash

Fu Manchu

3 Weeks after
Made a discovery
It was linked with
I had witnessed
Refused to admit
Rumor of the voice say
Jolted down the broadcast
Second Time today Dealin with the hogwash
As you know
Dealin with the hogwash
As you know Flyin through this trail
A blue rain fell
Just before daybreak
It was a huge mistake
So around midday
Or so they say
A close escape
On our way Dealin with the hogwash
As you know
Dealin with the hogwash
As you know Dealin with the hogwash
As you know
Dealin with the hogwash
As you know
