

# No More

## Ruff Endz

Ooh babe, oh girl  
No more, no more  
Bounce baby, bounce baby  
You can move, uh  
Check it out Baby, relax, sit back and chill  
Just give me a second and let me tell you how I feel  
'Cause all around town you've been steppin' out  
Runnin' your mouth about  
What made you think I wouldn't find out?  
Wasn't I there for you, truly cared for you?  
Maybe my love was just too good  
Could've had it good, now the love is gone  
And went back to your hood with the 54-11's on Does he lace you with the finer things?  
Does he make ya wanna scream his name?  
Does he hit it from the front to back?  
Did you let him break it down like that?  
Should've told me the love was gone  
Never thought that you'd do me wrong  
Girl I thought that your love was strong  
'Til I saw you with another man No more shopping sprees  
No more late night creeps  
No more V.I.P.  
No more dough  
We can't even kick it no more No more shopping sprees  
No more late night creeps  
No more V.I.P.  
No more dough  
We can't even kick it no more I saw you on the Av and I laughed  
In the backseat piece spillin' Henney in his lap  
Thought it was me you was all about but I'm havin' doubts  
'Cause I see you tryna play me out  
But when the brother called the crib with beef  
Didn't I represent you?  
When I caught him in the streets  
So let me get the keys to lex and then my checks  
And no more hanging brigets around your neck, babe Does he lace you with the finer things?  
Does he make ya wanna scream his name?  
Does he hit it from the front to back?  
Did you let him break it down like that?

Should've told me the love was gone  
Never thought that you'd do me wrong  
Girl I thought that your love was strong  
'Til I saw you with another man  
No more shopping sprees  
No more late night creeps  
No more V.I.P.  
No more dough  
We can't even kick it no more  
No more shopping sprees  
No more late night creeps  
No more V.I.P.  
No more dough  
We can't even kick it no more  
No more shopping sprees  
No more late night creeps  
No more V.I.P.  
No more dough  
We can't even kick it no more  
No more shopping sprees  
No more late night creeps  
No more V.I.P.  
No more dough  
We can't even kick it no more  
Baby, I can't even kick it  
Baby, I want no more  
No more shopping sprees  
No more late night creeps  
No more V.I.P.  
No more dough  
We can't even kick it no more
