

# That's All Me (Ft. Rico Love)

Teairra Mari

Been Searching and I finally found  
Someone who could cure all my lonely  
Won't let you go no way boy no how  
I'ma make you as my one and only  
Youv'e got me helpless call me selfish I don't care  
Long as I got you I'm alright, baby  
And I can't help that I'm so happy when you're there  
I won't let no one have what's all mine, yeahLove, I ain't never gonna give you back your love  
So if you give it to me babe  
Just know I play for keeps  
She never gonna get none of your love  
So you better tell her baby  
That that's all meSo long since I've felt this way yeah  
I can't stop from smiling  
But you know all the right things to say  
Can't stop my fingers from dialing  
You got me helpless call me selfish I don't care  
Long as I got you I'm alright, baby  
And I can't help that I'm so happy when you're there  
I won't let no one have what's all mine, yeahLove, I ain't never gonna give you back your love  
So if you give it to me babe  
Just know I play for keeps  
She never gonna get none of your love  
So you better tell her baby  
That that's all me  
Looooovveee, I ain't never gonna give you back your love  
She never gonna get none of your loveSo you better tell her baby  
That that's all meYeah, I been had skills, sirrock spills  
Hard power automobile  
Plus a couple of mill  
But Shawty so chill, with the whip of pill  
Got the snap back so I'm loving how I feel  
Hard to figure me, spending figures out of italy  
Ph anthem, so I bought the littl..with the big seats  
These little niggers tickle me  
Tryna get till my Shawty, she gonna stick with me  
And know I ain't no rnb dude  
But I rule rnb I make rnb cool  
Big boy budgets, rnb moves

How she not gon choose, but all of these fools  
Fuck is youI ain't never gonna give you back your love  
Just know I play for keeps  
So you better tell her baby  
That that's all me  
I ain't never gonna give you back your love  
She never gonna get none of your love  
So you better tell her baby  
That that's all me  
Just know I play for keeps  
She never gonna get none of your love  
So you better tell her baby  
That that's all me  
Love, love, love, love.
