Games People Play

Bob Andy

Oh the games people play now
Every night and every day now
Never meaning what they say now
And never saying what they mean

While they walk away the hours
In their ivory towers
We threw a couple of flowers
In the back of a black limousine

La da la da da da da,
La da da da da de,
I'm a talkin' about you and me
And the games people play

You know we make one another cry
We break our hearts and we say goodbye
We cross our hearts and we hope to die
That the other was to blame

We need a woman that will give in
So we gaze at an 8X10
Wanderin' about the things
That might have been
And it's a dirty rotten shame

[Chorus]
Now wait a minute
They come walkin' up to ya
Singing glory haleuajah
Let me try to sock it to ya

In the name of the Lord
They only show ya how to meditate
And to read your horoscope cheat your fate
Furthermore to hell with hate
See'mon and get on board

[Chorus]

Look around baby what'd you see
What's been happening to you and me
God granted it's serenity
Just to remember who I am

'Cause you've given up your sanity
Your pride and your bounty
You turn your back on humanity
And you don't give a

[Chorus: x 2]
